PROPOSED RENEWAL OF THE SHAREHOLDERS' MANDATE FOR INTERESTED PERSON TRANSACTIONS

1. INTRODUCTION

- 1.1 The purpose of this Appendix is to provide Shareholders with the relevant information pertaining to, and to seek Shareholders' approval at the AGM for, the renewal of the Shareholders' Mandate.
- 1.2 The Shareholders' Mandate was last obtained at the annual general meeting held on 25 April 2018, such Shareholders' Mandate being expressed to take effect until the date of the forthcoming annual general meeting. Accordingly, the Directors proposed that the Shareholders' Mandate be renewed at the AGM to be held on 29 April 2019. The Shareholders' Mandate (if renewed) shall take effect until the next annual general meeting of the Company.

2. CHAPTER 9 OF THE LISTING MANUAL

Under Chapter 9 of the Listing Manual, where an issuer or any of its subsidiaries (other than subsidiaries that are listed on the SGX-ST or an approved exchange) or associated companies (other than an associated company that is listed on the SGX-ST or on an approved exchange, provided that the listed group, or the listed group and its interested person(s), has control over the associated company) proposes to enter into a transaction with the issuer's interested persons, shareholders' approval and/or an immediate announcement is required in respect of the transaction if the value of the transaction is equal to or exceeds certain financial materiality thresholds. However, an issuer may seek a shareholders' mandate for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations which may be carried out with the listed company's interested persons. Transactions conducted under such a shareholders' mandate are subject to the disclosure requirements in Rule 920 of the Listing Manual but are not separately subject to the financial materiality thresholds. General information pertaining to Chapter 9 of the Listing Manual, including the said financial materiality thresholds and the meanings of certain terms, is summarised in the Annexure 1 to this Appendix.

3. RATIONALE FOR THE SHAREHOLDERS' MANDATE

The Shareholders' Mandate and its renewal on an annual basis will eliminate the need for the Company to convene separate general meetings on each occasion to seek Shareholders' approval as and when potential transactions with the specified interested persons arise, thereby avoiding the loss of business opportunities and reducing substantially, the administrative time, inconvenience and expenses associated with the convening of such meetings on an ad hoc basis.

Tanggung Group and PTSI Group

The Tangguh Group and PTSI Group have been long established in Indonesia. Both the Tangguh Group and the PTSI Group have strong network in Indonesia and are renowned in the shipping industry. Both the Tangguh Group and the PTSI Group have experienced and competent staff and are capable of providing a wide range of services. Engaging the Tangguh Group and/or PTSI Group allows the Group to tap on Tangguh Group and/or PTSI Group goodwill, market share, expertise and resources in Indonesia. This benefits the Group in terms of its sales and marketing and is cost effective as it reduces the recruitment, training and administration costs which the Group would otherwise have to incur.

4. CLASSES OF INTERESTED PERSONS

The Interested Person Transactions which are to be covered by the Shareholders' Mandate consist of transactions for the provision to and obtaining of services from the following Interested Persons:

- (a) PTSI Group. PTSI is a controlling shareholder of SSL and holds approximately 65.27% of the issued shares of SSL as at the Latest Practicable Date;
- (b) Tangguh Group. Tangguh is the ultimate holding company of the Company;
- (c) PTSISM, a 99.93% subsidiary of PTSI;
- (d) PT Panurjwan, a subsidiary of Tangguh;
- (e) PT SSLog, a 99.99% subsidiary of PTSI;
- (f) PT TSJ, an indirect subsidiary of PTSI; and
- (g) PTSAI, a 90% subsidiary of PTSI.

5. TYPES OF INTERESTED PERSON TRANSACTIONS

5.1 The interested person transactions that will be covered by this Shareholders' Mandate are set out below ("**Interested Person Transactions**"). Transactions by the Group with Interested Persons which do not fall within the ambit of this proposed IPT Mandate or such other Interested Person Transactions mandate as approved by Shareholders shall be subject to the relevant provisions of Chapter 9 of the Listing Manual.

- (a) The provision of shipping agency services to the Group by PTSI Group and/or Tangguh Group. As at the Latest Practicable Date, the shipping agency services is provided by PTSAI;
- (b) The provision of ship management services by PTSISM to the Group;
- (c) The charter-in of vessels by the Group from PTSI Group and/or Tangguh Group. As at the Latest Practicable Date, the Group charter in vessels from PTSI and PT Panurjwan;
- (d) The leasing of office premises by the Group from PTSI Group. As at the Latest Practicable Date, the leasing of office premises is from PTSI;
- (e) The provision of stevedoring services by PTSI Group to the Group. As at the Latest Practicable Date, the stevedoring services is provided by PT TSJ; and
- (f) The provision of container depot services by PTSI Group to the Group. As at the Latest Practicable Date, the container depot services is provided by PT SSLog.

6. CONTROLS AND REVIEW PROCEDURES FOR THE INTERESTED PERSON TRANSACTIONS UNDER THE SHAREHOLDERS' MANDATE

The Company has in place internal control procedures to ensure that transactions with the Interested Persons are carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders. The Audit Committee confirms that the procedures have not changed since the last renewal of the Shareholders' Mandate at the annual general meeting held on 25 April 2018.

(a) Internal Guidelines

The Audit Committee has worked with management to establish internal guidelines in relation to such transactions so as to enhance the Company's corporate governance and internal controls. The Audit Committee has and may from time to time modify the internal guidelines set out below to adapt to the circumstances and/or businesses of the Group.

In respect of a renewal or revision of an existing transaction or if a new transaction is to be entered into pursuant to the Shareholders' Mandate, the management will assess, for purposes of submitting a report to the Audit Committee (as provided for below), whether the existing terms, revised terms or the terms of the new transaction (as the case may be) are on normal commercial terms by adopting the following procedures:

(i) Ship Agency Services

The ship agency services commission payable by the Group to PTSI Group and/or Tangguh Group would consist of variable and fixed components.

The commission rates payable by the Group to PTSI Group and/or Tangguh Group in respect of the variable component of the ship agency services is reviewed yearly to ensure that they are consistent with normal commercial rates by comparing such rates against the commission rates that the Group pays to other third party agents for similar services. The primary factor that is taken into consideration in selecting PTSI Group and/or Tangguh Group is that PTSI Group and/or Tangguh Group are established groups of companies with a strong network in Indonesia.

The commission rates payable to PTSI Group and/or Tangguh Group in respect of the fixed component of the ship agency services is reviewed yearly to ensure that they are purely on reimbursement basis. The above fixed reimbursement has been approved by the Audit Committee.

(ii) Ship Management Services

The management will endeavour to obtain comparative quotes from the market as and when the Group enters into new contract for ship management services, renew and/or amend contract for ship management services. The Audit Committee shall review annually the ship management fees payable by the Group. In the event that comparative quotes cannot be obtained, the management will determine whether the ship management fees payable are on normal commercial terms based on the management's industry knowledge and experience and their understanding of the general industry practice.

(iii) Leases

The rates and terms of leases with PTSI Group are reviewed prior to entering or renewing the leases. Leases with PTSI Group are in relation to office space in Jakarta. In ascertaining the rentals for the leases with the PTSI Group, factors such as the available facilities, tenure of the lease, the area of the leased premises and any other relevant factors that may affect the rental rates or terms of the lease would be taken into consideration.

Leases between PTSI Group and their other third party tenants in the same building(s) will be used as a basis for comparison to ensure that the terms of the leases with PTSI Group are not more favourable to PTSI Group than those terms extended to such third parties.

The Group may also obtain quotes from third party lessors for similar space or buildings that are of similar or comparable standing within the same vicinity.

(iv) Stevedoring Services

The stevedoring rates payable by the Group to PTSI Group are reviewed yearly by comparing quotes obtained through the following process:

- Firstly, the Group will endeavor to obtain quotes from third party service providers operating in the same or nearby location.
- Alternatively, the Group may obtain the rates that PTSI Group charges to other customers.

The stevedoring rates obtained will then be used as a comparison to ensure that the rates charged/proposed by PTSI Group are comparable to normal commercial rates taking into account relevant factors such as the types of services and the existing infrastructure (access roads and the remoteness/location of the facility) which would have an effect on costs and efficiencies.

(v) Container Depot Services

The rates for container depot, container storage, maintenance and repair services payable by the Group to PT SSLog is reviewed yearly by comparison against quotes from third parties to the Group. A factor that is taken into consideration in determining the rates is the range of services that the vendor is able to provide. If a vendor is able to provide a more comprehensive range of services such as chemical cleaning, storage, lift on/lift off and trucking, it would be more efficient to acquire the services from one vendor.

Alternatively, when quotations cannot be obtained from third parties, the rates for container depot services are compared against the prevailing rates PT SSLog charges to its other third party customers.

(vi) Charter Hire Agreements with Tangguh Group and/or PTSI Group

The Group will endeavour to obtain at least one (1) quote from independent shipbrokers or other ship owners for vessels which are of similar specifications and age to the vessels chartered-in from the Tangguh Group and/or PTSI Group before entering into or renewing a time charter agreement.

If such quotes from independent shipbrokers or other ship owners are not available, the management of the Company will conduct a comparison between the charter rates for the particular vessel in issue against charter rates for similar vessels operated by the Group.

In the event quotes from independent shipbrokers or other ship owners are not available and the Group does not operate similar vessels, the management of the Company (the Company will designate any one of its executive directors at that material time to be responsible for these actions) will use a cost-plus margin or revenue minus costs approach to determine the charter hire rates.

In determining whether the above margin is reasonable, the management will form its commercial view on the potential revenue that the Group will make from chartering of a particular vessel and whether the charter hire fees payable by the Group to Tangguh Group and/or PTSI Group are on normal commercial terms, based on the management's industry knowledge and experience and their understanding of the general industry practice. The Audit Committee will take into account the commercial view of the management to determine whether the margin is reasonable.

With their findings (with or without the quote from independent third parties as stated above (as applicable)), the management will submit a report with the relevant supporting documents to the Audit Committee for the Audit Committee's consideration. The Audit Committee will then authorise the continuation of the Interested Person Transactions and/or changes to existing Interested Person Transactions and/or the entering into of new Interested Person Transactions if the Audit Committee is satisfied that the Interested Person Transactions are on normal commercial terms and will not be prejudicial to the interest of the Company and its minority Shareholders.

Further to the above, whenever the Audit Committee is required to authorise the continuation of the Interested Person Transactions and/or changes to existing Interested Person Transactions and/or the entering into of new Interested Person Transactions, the Audit Committee together with the management will also conduct reviews to ensure that the procedures have been adhered to and if at any time the Audit Committee is of the view that the review procedures have become insufficient and/or inappropriate, the Audit Committee will take such action as it deems appropriate and/or institute additional procedure as necessary to ensure that the future Interested Person Transactions of a similar nature are on normal commercial terms and will not be prejudicial to the Company and its minority Shareholders. If at any time the Audit Committee is of the view that the review procedures are insufficient, inappropriate and/or are unable to ensure that the Interested Person Transactions will be on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders, the Company will revert to its Shareholders to seek a fresh mandate.

(b) Abstention from Participating in Review Process

If a member of the Board has an interest in an Interested Person Transaction, he shall abstain from participating in the Company's internal review and approval process in relation to that Interested Person Transaction.

(c) Register and Internal Audit Plan

The Company will maintain a register of Interested Person Transactions carried out with Interested Persons (recording the basis, including the quotations obtained to support such basis, on which they are entered into) pursuant to the Shareholders' Mandate and the Company's annual internal audit plan will incorporate a review of such Interested Person Transactions entered into in the relevant financial year and report the results to Audit Committee. The Audit Committee will review these Interested Person Transactions on a quarterly basis. Other than the above, there will also be periodic reporting to the Audit Committee as and when the Company enters into and/or renew an Interested Person Transactions.

(d) Disclosures

In accordance with the requirements of Chapter 9 of the Listing Manual, the Company will:

- (i) disclose the Shareholders' Mandate in its annual report, giving details of the aggregate value of the Interested Person Transactions conducted pursuant to the Shareholders' Mandate during the financial year; and
- (ii) announce the aggregate value of Interested Person Transactions conducted pursuant to the Shareholders' Mandate for the relevant financial periods which it is required to report on (pursuant to Rule 705 of the Listing Manual) within the time required for the announcement of such report.

The disclosure will include the name of the Interested Person and the corresponding aggregate value of the Interested Person Transactions, presented to indicate the aggregate value of all interested person transactions during the financial year under review (excluding interested person transactions less than S\$100,000 and Interested Person Transactions conducted under the Shareholders' Mandate) and the aggregate value of all Interested Person Transactions, conducted under the Shareholders' Mandate (excluding Interested Person Transactions less than S\$100,000).

7. VALIDITY PERIOD OF THE SHAREHOLDERS' MANDATE

The proposed Shareholders' Mandate will take effect from the date of the passing of the ordinary resolution relating thereto to be proposed at the AGM and will continue in force until the next AGM of the Company. Where relevant, approval from Shareholders will be sought for the subsequent renewal of the Shareholders' Mandate, subject to satisfactory review by the Audit Committee of its continued application to the Interested Person Transactions.

8. STATEMENT FROM THE AUDIT COMMITTEE

The Audit Committee (comprising Independent Directors Quah Ban Huat, Chng Hee Kok, Nicholas Peter Ballas, Ng Chee Keong and Lee Lay Eng Juliana) is of the view that the terms of the Interested Person Transactions set out in paragraph 5.1 above are on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders. The Audit Committee is also of the view that the procedures referred to in paragraph 6 of this Appendix are sufficient to ensure that the Interested Person Transactions are carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders. However, should the Audit Committee subsequently find that the existing procedures require material changes and are no longer relevant, the Audit Committee will recommend to the Board that a Shareholders' meeting be convened for Shareholders' approval in respect of a fresh mandate.

The following is a summary of Chapter 9 of the Listing Manual ("**Chapter 9**"). This summary does not purport to be complete and should be read in conjunction with, and is qualified in its entirety by, the more detailed information contained in the Listing Manual.

1. INTRODUCTION

Chapter 9 applies to transactions entered into between a listed company or any of its subsidiaries (other than a subsidiary that is listed on the SGX-ST or an approved exchange (as defined below)) or associated companies (other than an associated company that is listed on the SGX-ST or an approved exchange, provided that the listed group, or the listed group and its interested person(s) (as defined below), has control over the associated company) with a party who is an interested person of the listed company.

<i>“interested person”:</i>	means a director, chief executive officer or controlling shareholder of the listed company, or an associate of such director, chief executive officer or controlling shareholder.

3. MATERIALITY THRESHOLDS, DISCLOSURE REQUIREMENTS AND SHAREHOLDERS’ APPROVAL

Save for certain interested person transactions which are excluded under Chapter 9, an immediate announcement and/or Shareholders’ approval would be required in respect of transactions with interested persons if the value of the interested person transaction is equal to or exceeds certain financial materiality thresholds.

An immediate announcement is required where:

- (a) the value of a proposed interested person transaction is equal to, or more than, 3% of the listed group’s latest audited consolidated NTA; or
- (b) the aggregate value of all interested person transactions entered into with the same interested person during the same financial year, is equal to, or more than, 3% of the listed group’s latest audited consolidated NTA. An announcement will have to be made immediately of the latest transaction and all future transactions entered into with that same interested person during the financial year.

Shareholders’ approval (in addition to an immediate announcement) is required where:

- (a) the value of a proposed interested person transaction is equal to, or more than, 5% of the listed group’s latest audited consolidated NTA; or
- (b) the value of a proposed interested person transaction, when aggregated with other interested person transaction entered into with the same interested person during the same financial year, is equal to, or more than, 5% of the listed group’s latest audited consolidated NTA. The aggregation will exclude any interested person transaction that has been approved by Shareholders previously, or is the subject of aggregation with another interested person transaction that has been previously approved by Shareholders.

The requirements for an immediate announcement and/or shareholders' approval do not apply to interested person transactions below S\$100,000 each.

For illustration purposes, based on the Company's latest audited accounts for the financial year ended 31 December 2018, the Group's latest audited NTA as at 31 December 2018 was USD188,983,000 or equivalent to S\$255,127,000. Accordingly, in relation to the Company, for the purposes of Chapter 9 in the current financial year, Shareholders' approval would be required where:

- (a) the interested person transaction is of a value equal to, or more than, USD9,449,000 or equivalent to S\$12,756,000 being 5% of the Group's latest audited NTA; or
- (b) the interested person transaction, when aggregated with other interested person transactions entered into with the same interested person during the same financial year, is of a value equal to, or more than, USD9,449,000 or equivalent to S\$12,756,000. The aggregation will exclude any interested person transaction that has been approved by Shareholders previously, or is the subject of aggregation with another interested person transaction that has been approved by Shareholders.

4. SHAREHOLDERS' MANDATE

Part VIII of Chapter 9 permits a listed company to seek a mandate from its shareholders for recurrent transactions with interested persons of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials, but not in respect of the purchase or sale of assets, undertakings or businesses.
