Dear Sir/Madam

1. INTRODUCTION

- 1.1 The Directors are convening an EGM of the Company to be held on 28 April 2026 to seek Shareholders' approval for the proposed renewal of the Share Buyback Mandate.
- 1.2 The purpose of this Circular is to provide Shareholders with information relating to and explaining the rationale of the proposed renewal of the Share Buyback Mandate.
- 1.3 The SGX-ST takes no responsibility for the correctness of any statements made, reports contained or opinions expressed in this Circular.
- 1.4 If you are in any doubt, you should consult your stockbroker, bank manager, solicitor or other professional adviser immediately.

2. THE PROPOSED RENEWAL OF SHARE BUYBACK MANDATE

2.1 Introduction

The Company is seeking Shareholders' approval to renew the Share Buyback Mandate to authorise the Directors to buy back Shares representing up to a maximum of 10% of the issued Shares of the Company (excluding treasury shares and subsidiary holdings, if any) as at the date on which the resolution authorising the same is passed, at a price of up to but not exceeding the Maximum Price (as defined below). Such purchases of Shares will be made subject to the Constitution, the Listing Manual, the Take-over Code and in accordance with Sections 76B to 76G of the Companies Act.

Purchases of Shares may be effected by the Company in either one of the following two ways or both:

- (a) by way of on-market purchases transacted on the SGX-ST through the ready market of the SGX-ST ("**Market Acquisition**"); and/or
- (b) by way of an off-market acquisition on an "equal access scheme" as defined in Section 76C of the Companies Act ("**Off-Market Acquisition**").

Pursuant to the Companies Act and the Listing Manual, the authority and limitations on the Share Buyback Mandate are as follows:

(i) Maximum Number of Shares

The maximum number of Shares which may be purchased by the Company pursuant to the Share Buyback Mandate is that number of Shares representing not more than 10% of the issued Shares of the Company (excluding treasury shares and subsidiary holdings, if any) as at the date on which the resolution authorising the same is passed.

On the basis of 538,038,199 Shares in issue (excluding treasury shares and subsidiary holdings, if any) as at the Latest Practicable Date, the exercise in full of the Share Buyback Mandate would result in the purchase of 53,803,819 Shares.

(ii) Maximum Price

The purchase price (excluding related brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) to be paid by the Company for the Shares will not be more than ("**Maximum Price**"):

- (aa) in the case of a Market Acquisition, 5% above the average of the closing market prices of the Shares over the last five Market Days on which transactions in the Shares were recorded before the day of the Market Acquisition by the Company, and deemed to be adjusted, in accordance with the Listing Manual, for any corporate action that occurs after the relevant five-day period; and
- (bb) in the case of an Off-Market Acquisition, 20% above the average of the closing market prices of the Shares over the last five Market Days on which transactions in the Shares were recorded before the date on which the Company makes an announcement of an offer under the Off-Market Acquisition, stating therein the purchase price and the relevant terms of the equal access scheme for effecting the Off-Market Acquisition, and deemed to be adjusted, in accordance with the Listing Manual, for any corporate action that occurs after the relevant five-day period.

(iii) Duration of Authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the EGM, at which the proposed Share Buyback Mandate is approved, up to:

- (a) the date on which the next AGM of the Company is held or required by law to be held;
- (b) the date on which Share Buyback Mandate has been carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied,

whichever is earlier.

(iv) Sources of Funds

In purchasing Shares, the Company may only apply funds legally available for such purchase in accordance with its Constitution and the applicable laws in Singapore. The Company may not purchase its Shares for a consideration other than cash and the relevant settlement for the purchase of Shares shall be in accordance with the trading rules of the SGX-ST. The Companies Act permits the Company to purchase or acquire its own Shares out of capital, as well as from its distributable profits. The Company intends to use internal sources of funds to finance the purchases of Shares.

2.2 Rationale of the Share Buyback Mandate

The Directors constantly seek to increase Shareholders' value and to improve, *inter alia*, the return on equity of the Company. A share buyback at the appropriate price level is one of the ways through which the return on equity of the Company may be enhanced.

The Share Buyback Mandate would provide the Company with the flexibility to purchase or acquire Shares if and when circumstances permit, during the period when the Share Buyback Mandate is in force. Shares purchased pursuant to the Share Buyback Mandate will either be cancelled or held as treasury shares as may be determined by the Directors. This will provide the Directors with greater flexibility over the Company's share capital structure, *inter alia*, with a view to enhance the earnings and/or NAV per Share or to maintain a pool of Shares to be deployed for future purposes as deemed appropriate by the Directors.

The Directors further believe that Share buybacks by the Company will help to mitigate short term share price volatility or trading trends which, in the reasonable opinion of the Company, are not otherwise caused by general market factors or sentiments and/or the fundamentals of the Company and offset the effect of short-term speculation (as and when they may occur) and bolster Shareholders' confidence.

2.3 Status of Purchased Shares

A Share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation) unless such Share is held by the Company as a treasury share. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

2.4 Treasury Shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act, are summarised below:

(a) Maximum Holdings

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares.

(b) Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights. In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of Shares as fully paid bonus shares in respect of treasury shares is allowed. Also, a subdivision or consolidation of any treasury shares is allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

(c) Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time:

- (i) sell the treasury shares for cash;
- (ii) transfer the treasury shares for the purposes or pursuant to an employees' share scheme;

- (iii) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the treasury shares; or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister of Finance.

2.5 Financial Impact

The financial impact on the Company and the Group arising from purchases or acquisitions of Shares pursuant to the Share Buyback Mandate will depend on, *inter alia*, whether the Shares are purchased or acquired on-market or off-market, the price paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled. The financial impact on the Company and the Group, based on the FY2025 Financial Statements, is based on the assumptions set out below.

(a) Purchase or Acquisition out of Capital or Profits

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's capital or profits so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding related brokerage, goods and services tax, stamp duties and clearance fees) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

(b) Information as at Latest Practicable Date

Based on the existing number of Shares in issue (excluding treasury shares and subsidiary holdings, if any) as at the Latest Practicable Date, the exercise in full of the Share Buyback Mandate would result in the purchase of 53,803,819 Shares.

(i) **Market Acquisition**

Assuming that the Company purchases or acquires the 53,803,819 Shares at the Maximum Price of 111.93 Singapore cents for one Share (being the price equivalent to 5% above the average of the closing market prices of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 53,803,819 Shares is S\$60,223,000 or equivalent to US\$47,049,000 at the exchange rate of US\$1.00 : S\$1.28 (based on the exchange rate as at the Latest Practicable Date).

(ii) **Off-Market Acquisition**

In the case of an Off-Market Acquisition by the Company and assuming that the Company purchases or acquires 53,803,819 Shares at the Maximum Price of 127.92 Singapore cents for one Share (being the price equivalent to 20% above the average of the closing market prices of the Shares for the five consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 53,803,819 Shares is S\$68,826,000 or equivalent to US\$53,770,000 at the exchange rate of US\$1.00 : S\$1.28 (based on the exchange rate as at the Latest Practicable Date).

(c) Illustrative Financial Impact

For illustrative purposes only and on the basis of the assumptions set out in paragraph 2.5(b) above, the financial impact of the:

- (i) Market Acquisition by the Company entirely out of capital and Shares bought back are cancelled; and Market Acquisition by the Company entirely out of capital and held as treasury shares (assuming that the Company would cancel existing treasury shares prior to acquiring new treasury share);
- (ii) Off-Market Acquisition by the Company entirely out of capital and Shares bought back are cancelled; and Off-Market Acquisition by the Company entirely out of capital and held as treasury shares (assuming that the Company would cancel existing treasury shares prior to acquiring new treasury share);
- (iii) Market Acquisition by the Company entirely out of profits and Shares bought back are cancelled; and Market Acquisition by the Company entirely out of profits and held as treasury shares (assuming that the Company would cancel existing treasury shares prior to acquiring new treasury share); and
- (iv) Off-Market Acquisition by the Company entirely out of profits and Shares bought back are cancelled; and Off-Market Acquisition by the Company entirely out of profits and held as treasury shares (assuming that the Company would cancel existing treasury shares prior to acquiring new treasury share).

on the FY2025 Financial Statements are set out on pages 9 to 12 of the Circular:

- (i) Market Acquisition by the Company entirely out of capital and Shares bought back are cancelled; and Market Acquisition by the Company entirely out of capital and held as treasury shares (assuming that the Company would cancel existing treasury shares prior to acquiring new treasury share)

The actual impact will depend on the number and price of the Shares repurchased by the Company.

Shareholders should note that the financial impact set out above, based on the respective aforementioned assumptions, are for illustration purposes only. In particular, it is important to note that the above analysis is based on the FY2025 Financial Statements and may not be representative of future financial performance. Further, the Company may cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased in treasury.

The Directors do not propose to exercise the Share Buyback Mandate to an extent that would materially and adversely affect the financial condition of the Group. The purchase of Shares will only be effected after considering relevant factors such as the working capital requirements, availability of financial resources, the expansion and investment plans of the Group and the prevailing market conditions. The proposed Share Buyback Mandate will only be exercised in the interests of the Company, for example, to enhance the EPS of the Company.

2.6 Tax Implications

Shareholders who are in doubt as to their respective tax position or the tax implications of the proposed Share buyback by the Company or may be subject to tax whether in or outside of Singapore should consult their own professional advisers.

2.7 Take-Over Code Implications arising from Share Buybacks

Appendix 2 of the Take-over Code contains the Share Buyback Guidance applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

(a) Obligation to make a take-over offer

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a mandatory take-over offer for the Company under Rule 14 of the Take-over Code.

(b) Persons acting in concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will, *inter alia*, be presumed to be acting in concert:

(i) The following companies:

- (1) A company;
- (2) The parent company of (1);
- (3) The subsidiaries of (1);
- (4) The fellow subsidiaries of (1);
- (5) The associated companies of any of (1), (2), (3) or (4);
- (6) Companies whose associated companies include any of (1), (2), (3), (4) or (5); and
- (7) Any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights; and

- (ii) A company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

The circumstances under which shareholders of a company (including directors of the company) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of shares by the company are set out in Appendix 2 of the Take-over Code.

(c) Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors of the Company and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties is between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than one per cent. (1%) in any period of six (6) months.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors of the Company will not be required to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than one per cent. (1%) in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buyback Mandate.

(d) Exemption under Appendix 2 of the Take-over Code

Section 3(a) of the Appendix 2 of the Take-over Code provides, *inter alia*, that for a market acquisition under Section 76E of the Companies Act or an off-market acquisition on an equal access scheme under Section 76C of the Companies Act by a listed company, directors and persons acting in concert with them will be exempted from the requirement to make a general offer for the Company under Rule 14.1 of the Take-over Code, subject to the following conditions:

- (i) The circular to shareholders on the resolution to authorise a buyback to contain advice to the effect that by voting for the buyback resolution, shareholders are waiving their rights to a general offer at the required price from directors and parties acting in concert with them who, as a result of the company buying back its shares, would increase their voting rights to 30% or more, or, if they together hold between 30% and 50% of the company's voting rights, would increase their voting rights by more than one per cent. (1%) in any period of six (6) months; and the names of such directors and persons acting in concert with them, their voting rights at the time of the resolution and after the proposed buyback to be disclosed in the same circular;
- (ii) The resolution to authorise a share buyback to be approved by a majority of those shareholders present and voting at the meeting on a poll who could not become obliged to make an offer as a result of the shares buyback;
- (iii) The directors and/or persons acting in concert with them to abstain from voting for and/or recommending shareholders to vote in favour of the resolution to authorise the share buyback;
- (iv) Within seven (7) days after the passing of the resolution to authorise a buyback, each of the directors to submit to the SIC a duly signed form as prescribed by the SIC;
- (v) Directors and/or persons acting in concert with them not to have acquired and not to acquire any shares between the date on which they know that the announcement of the share buyback proposal is imminent and the earlier of:

- (1) The date on which the authority of the share buyback expires; and
- (2) The date on which the company announces it has bought back such number of shares as authorised by shareholder at the latest general meeting or it has decided to cease buying its shares, as the case may be.

If such acquisitions, taken together with the buyback, would cause their aggregate voting rights to increase to 30% or more.

- (vi) Directors and/or persons acting in concert with them not to have acquired and not to acquire any shares between the date on which they know that the announcement of the share buyback proposal is imminent and the earlier of:

- (1) The date on which the authority of the share buyback expires; and
- (2) The date on which the Company announces it has bought back such number of shares as authorised by shareholder at the latest general meeting or it has decided to cease buying its shares, as the case may be.

If such acquisitions, taken together with the buyback, would cause their aggregate voting rights to increase by more than one per cent. (1%) in the preceding six (6) months.

It follows that where aggregate voting rights held by a director and persons acting in concert with him increase by more than one per cent. (1%) solely as a result of the share purchase and none of them has acquired any share during the relevant period defined above, then such Director and/or persons acting in concert with him would be eligible for SIC's exemption from the requirement to make a general offer under Rule 14 of the Take-over Code, or where such exemption had been granted, would continue to enjoy the exemption.

- (e) Take-over obligation of substantial Shareholder of the Company

As at the Latest Practicable Date, each of the substantial Shareholders of the Company (as set out in page 20 of this Circular) have an interest of at least 65.27% of the Company's voting rights and would therefore not be obliged to make a general offer under Rule 14 and Appendix 2 of the Take-over Code in the event that Share buybacks are undertaken by the Company pursuant to the Share Buyback Mandate.

Further, based on the register of Directors' shareholdings and register of substantial Shareholders of the Company as at the Latest Practicable Date, the Directors are not aware of any Director and/or Shareholder who may become obligated to make a mandatory offer in the event that Share buybacks are undertaken by the Company pursuant to the Share Buyback Mandate.

The statements herein do not purport to be a comprehensive or exhaustive description of all implications that may arise under the Take-over Code. Shareholders who are in doubt are advised to consult their professional advisers and/or the SIC and/or the relevant authorities at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any Share purchase or acquisition by the Company pursuant to the Share Buyback Mandate.

2.8 Listing Manual Requirements

The Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. (a) in the case of a Market Acquisition, on the Market Day following the day of purchase or acquisition of any of its shares and (b) in the case of an Off-Market Acquisition under an equal access scheme, on the second Market Day after the close of acceptances of the offer. Such announcement must include details of the total number of shares purchased, the purchase price per share or the highest and lowest prices paid for such shares, as applicable.

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Buyback Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, in line with the best practices guide on securities dealings issued by the SGX-ST, the Company would not purchase or acquire any Shares during the period commencing one month before the announcement of the Company’s half year and full year financial results, as the case may be, and ending on the date of the announcement of the respective results on the SGX-ST.

2.9 Listing status on the SGX-ST

The Listing Manual requires a listed company to ensure that at least 10% of its issued shares (excluding treasury shares and subsidiary holdings, if any) must be held by the public. The Company will ensure that any Share purchased by the Company will not result in a fall in the percentage of Shares held by the public to below 10% of the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any). The number of public Shareholders as disclosed in the register of Shareholders as at the Latest Practicable Date is 4,302.

The total percentage of Shares in the hands of the public as at the Latest Practicable Date is 34.03%.

Assuming that (a) the Company purchases a maximum of 10% of the issued Shares from the public and (b) the Shares held by the substantial Shareholders of the Company and the Directors remain unchanged, the percentage of Shares in the hands of the public after such a repurchase will be 26.70%.

The Directors will use their best efforts to ensure that the Company does not effect a purchase of Shares which would result in the number of Shares remaining in the hands of the public falling to such a level as to cause market illiquidity or adversely affect the orderly trade of the Shares or the listing status of the Company.

As at the Latest Practicable Date, the Company has no securities apart from its Shares listed on the SGX-ST.

2.10 Shares purchased by the Company

The Company has not made any share buyback on or during the 12 months preceding the Latest Practicable Date.

3. DIRECTORS’ AND SUBSTANTIAL SHAREHOLDERS’ INTERESTS IN SHARES

The appointment of proxy by a Shareholder does not preclude him from attending and voting in person at the EGM if he wishes to do so.

A Depositor shall not be regarded as a member of the Company entitled to attend the EGM and to speak and vote thereat unless his name appears in the depository register maintained by CDP, 72 hours before the EGM.

7. DIRECTORS' RESPONSIBILITY

The Directors collectively and individually accept full responsibility for the accuracy of the information given in this Circular and confirm after making all reasonable enquiries that, to the best of their knowledge and belief, this Circular constitutes full and true disclosure of all material facts about the proposed renewal of the Share Buyback Mandate, the Company and its subsidiaries, and the Directors are not aware of any facts the omission of which would make any statement in this Circular misleading.
